

Seeds of Light, Inc. Drop Ship Program

This program has been designed to establish ease and efficiency for you the reseller and Seeds of Light.

The benefits of this program

- We will stock all items for immediate delivery. On occasion we do run out of items but will notify you upon receipt of your order and advise you when it will ship.
- You will be able to fill out an invoice on this website from you to your customer that we will include in your drop ship order.
- You will be able to download spreadsheets with product descriptions and images with ease.
- You will automatically see the shipping charges for the drop ship order. Either UPS or USPS. All shipping fees are the responsibility of the purchaser.
- We will drop ship anywhere in the continental U.S.
- A 25% charge will be applied to the wholesale cost not including shipping costs.
- You must have a valid resale tax number before placing your order.
- All payments must be paid with credit card, Paypal, or Google. We do not offer terms for drop shipments.
- Any returns must be pre authorized. Please see our conditions of sale.
- These terms and our conditions of sale are subject to change without notice.
